## **SECTION II**

# JUSTIFICATION FOR ADDITIONAL BUS PURCHASES, TRANSPORTATION SERVICES, AND/OR EARLY BUS REPLACEMENT

1. Pursuant to IC 20-40-18-9(2)(A), if the School Corporation is seeking to acquire or contract for transportation services that will provide for additional school buses or buses with a larger seating capacity as compared to the number and type of school buses from the prior school year, explain for each additional bus and the circumstances of the demand for increased transportation services within the School Corporation.
(Attach additional sheets if necessary.) No changes to the size or capacity of buses is being requested.
2. Pursuant to IC 20-40-18-9(4), if the School Corporation is seeking to replace an existing school bus earlier than twelve (12) years after the existing school bus was originally acquired or requires a contractor to replace a school bus, explain for each bus the circumstances for that need.
(Attach additional sheets if necessary.) The School Corporation is seeking to replace 6 buses prior to the 12-year expiration of the life of the bus with this replacement plan. The reason for early replacement is to help reduce the district's overall cost of replacement by entering into a 5-year lease to own program for all 13 buses selected for replacement within the next 5-year cycle. The lease to own program locks the district in to a lower cost per bus than if we waited and purchased later in the 5-year window.

## BUS REPLACEMENT PLAN AMENDMENT

If the school corporation is submitting an amended plan, please complete the following questions.

1. Declare the nature of and the need for the amendment.
N/A
(Attach additional sheets if necessary.)
2. Show cause as to why the original plan no longer meets the needs of the school corporation
