### **MISSION STATEMENT**

The mission of South Terrace Elementary is to provide an environment where children have the opportunity to learn at their individual rate to achieve full academic, emotional, and social potential. With community involvement, parental support, and the student's willingness to learn, there is a school atmosphere that encourages good citizenship and responsibility in today's changing society.

### **WELCOME**

Welcome to South Terrace Elementary School, a recipient of the Four Star School Award. Our faculty and staff are looking forward to working with you to help ensure that you have a successful and rewarding year. This student handbook has been prepared for you with all the policies, rules, and pertinent information you will need to know. Please take the time to read through this handbook, or have your parents read it with you. We trust you are looking forward to a great year. This year will be the best ever when you take pride in yourself and in South Terrace.

### **GENERAL INFORMATION**

#### **ENROLLMENT/HEALTH/IMMUNIZATION**

Students enrolling at MSD of North Posey elementary schools for the first time are required to have a birth certificate, current immunization record, and social security number. Parents must complete an information sheet and annual health information authorization sheet for all students at the beginning of each school year and at the time of registration. Forms are available online through Harmony. Records will be requested from the previous school at that time.

#### **VISITORS**

All visitors on the school property must enter through the front doors and sign the Visitors' Log in the office, noting the arrival time and the departure time. A visitor's badge must be worn while on school grounds. We invite you to visit your child's room and school and get acquainted with the teacher. All conferences should be arranged in advance, and at a time when the teacher does not have a child or children in the classroom, or is not on duty elsewhere. Preschool children must not visit unless accompanied by an adult who is responsible for them. Do not ask to bring visitors during the time other schools are not in session.

#### **MSD of NORTH POSEY CAFETERIA MEAL CHARGING POLICY**

The school breakfast and lunch programs at MSD of North Posey elementary schools are provided in accordance with the Federal School Lunch Program. The menu is posted monthly. A prepaid accounting program utilizing the student's identification number is used at the elementary schools. Each student will have his/her own account in which money is deposited for lunches, breakfast, extra milk, and "extra" items.

The MSD of North Posey County School Corporation strongly discourages meal charges, but we understand there are instances when a student may need assistance with meal funds. It is the responsibility of the parents to provide meals either by food from home, by sending money to school so that the school may supply a meal, or by applying for meal assistance through the free and reduced meal program.

Therefore, the following rules apply:

- At all the schools in the district, a student will be allowed to charge a meal when the need arises up to \$5.00, but the parents are expected to bring the negative balance to zero or a positive balance in a timely manner. After the \$5.00 limit has been reached by a student at the Jr. & Sr. High, no meals and no alternative meals will be provided; at the elementary schools, an alternative meal consisting of a cheese sandwich and milk will be given. No ala carte items will be sold to students with a negative account balance or if that item will put them in the negative.
- Students are informed at the cash register when their meal account is in need of funds. Emails are sent to parents when their child is in the negative.
- Parents are encouraged to keep track of their students account on Harmony and set up automatic low balance reminder in Harmony under My Notification Profile to receive emails or text messages if the account goes below a level of your choice. Please set it to send you daily messages, as if you go weekly you may not get the message in time to pay before you get in the negative.
- At the end of each school year there cannot be any negative balances.

**Money should be sent to school in a sealed envelope with the student's name on the outside.** A check is the best form of payment, or payments may also be made with a credit card on Harmony. We prefer that payments be made at the beginning of the week or month. Students who receive free lunches will need to have account deposits to purchase "extra" items. The cost of a student lunch is \$2.00 and breakfast is \$1.25. Reduced lunches cost \$.40, and a reduced breakfast is \$.30. Adult lunches are \$3.00. Checks should be made payable to the school. Students may also bring their lunches. Lunches brought from home must be eaten in the cafeteria. Questions regarding your student's lunch account balance should be directed to the cafeteria clerk.

Applications for Free or Reduced Priced Meals are to be filled out and returned. You are encouraged to apply if you fall within the guidelines that will accompany the application. This information is strictly confidential.

#### **TEXTBOOK RENTAL**

MSD of North Posey County Schools, in keeping with the provisions of Indiana Law, provides a textbook rental program for all students. Textbooks issued are the property of MSD of North Posey schools. They should be used with care and returned in good condition. Students are responsible for books that are lost, stolen, or damaged beyond use. Assistance is available for payment of school book costs to children of families meeting income standards.

Information concerning textbook assistance and application forms are provided to every student at the beginning of the school year. Textbook rental checks should be made payable to the school. **Textbook rental is due by August 30, 2019.**

#### **HEALTH SERVICES**

The State of Indiana requires proof of current immunizations upon entry into the school. No student shall be permitted to attend school beyond the first day of school without providing proof of immunization. It is the parent's responsibility to keep all immunizations current. State reporting of immunizations for kindergarten, first, and sixth grades are done by the school nurse via the Children and Hoosier Immunization Registry Program (CHIRP) in accordance with Indiana Code 16-38-5-3. The State of Indiana mandates vision and hearing screenings. Vision is screened in kindergarten, first, third, and fifth grade. Hearing is screened in first and fourth grades. Vision and hearing screenings will also be completed upon request of a parent or teacher. Parents will complete the Emergency Consent-Health Information-Medication Authorization form.

Medications should be given at home whenever possible. No medication (prescription) shall be given or dispensed unless a written medication authorization form is completed, which includes written instructions by the physician or parent/guardian. Medications prescribed for an individual student should be kept in the original container bearing the original pharmacy label and the student's name. Without written permission from parent/guardian, over-the-counter medication cannot be taken by student or administered by school officials. Over-the-counter medication shall be sent to school and brought to the nurse's office with the manufacturer's original label and the student's name affixed to the original package.

Any medication sent to school that is not in the original container will **NOT** be administered to the student. All medications are maintained in a secured location. If a medication is to be terminated, a written and dated consent for withdrawal by the parent is required. The physician order or parental permission is valid for one school year. **Indiana State Law allows medications to be transported home only with written permission from parent/guardian per IC20-34-3-18. Students may transport medications from home to school.**

The school should be notified of any student that has been treated for head lice. If your child is sent home due to head lice or they have been treated at home, the school nurse must check the student before returning to the classroom or before riding the bus.

If the student is being treated for pinkeye or strep throat, the student must be on antibiotics for 24 hours before returning to school. Please notify the school nurse if the student has been diagnosed with any contagious disease.

**A student must be fever free without fever reducing medications, no vomiting or diarrhea for 24 hrs. before returning to school.**

*All students need a working telephone number in case of an emergency, illness, or injury.*

### **WEATHER and SCHOOL CLOSINGS**

All students must follow instructions during FIRE and DISASTER drills. Schools may close due to severe weather or other emergencies beyond our control. In such cases, parents will be notified by our School Messenger Program. **Please do not call the school or the administration office for school closing information. These telephone lines are to be kept open for emergency purposes.**

### **NON-CUSTODIAL PARENTS**

Upon request a non-custodial parent, unless restricted by court order, will be given access to all student report cards, student records, and disciplinary actions. The parent will also be allowed to participate in conferences, classroom visitations, and all other school activities. The student will not be released to the non-custodial parent unless the custodial parent gives written permission.

A certified copy of a court order restricting the rights of the non-custodial parent shall be provided to the principal should a custodial parent wish to prohibit the distribution of information to, and the school visitations of, the non-custodial parent.

### **CHANGE of ADDRESS**

The office should be notified immediately of any change of address or phone numbers. It is important that we have current and correct phone numbers in case of an emergency involving your child.

### **TELEPHONES**

Students should ask to use the telephone only in case of an emergency. Permission must be granted by the classroom teacher and principal. **Students may not use the telephone to call home for forgotten homework, lunches, or to make social plans.** Parents are urged to call their child's teacher at a time when classes are not in session. No cell phones are allowed to be used by students during the school day or on the bus.

### **LOST and FOUND**

Found articles are turned into the office. Anyone losing articles should inquire about them in the office. The school cannot be responsible for lost items.

### **FIELD TRIPS**

Parents will be notified in writing prior to the field trip as to the date, place, and needed supplies. A student must have a signed written permission slip on file before being allowed to go on any field trip. Students without signed permission slips will remain at school.

### **LIBRARY**

The school library offers a wide range of materials for study, research, and pleasure reading. Students may use the library during their scheduled class period or with permission from the classroom teacher and librarian. Students are financially responsible for lost or damaged books.

## SCHOOL BUS POLICY

The State of Indiana has set regulations for riding the school bus. Riding the bus is a privilege extended to a student that can be taken away anytime for disruptive or unsatisfactory behavior. Any student needing to ride to or from school on a bus other than their regularly assigned bus **must** have a bus pass. Bus passes are issued prior to the start of school by the office only upon the parent's notification to the office by letter or phone call. The driver of the bus is the official in charge and shall keep order and maintain discipline among the children while on the bus. School bus drivers shall assure that all pupil passengers observe the following regulations. Violations of the regulations could result in the loss of riding privileges. Buses are equipped with camera equipment for the safety of the passengers.

- No pupil shall stand or move from place to place during the trip.
- Loud, boisterous, or profane language, or indecent conduct shall not be tolerated.
- Pupils shall not be allowed to tease, scuffle, trip, hold, hit or use their hands, feet or body in any objectionable manner.
- No windows or doors will be opened or closed except by permission of the bus driver.
- No pupils shall enter or leave the bus until it has come to a full stop and the door has been opened by the driver.
- Because of the safety factor involved, students shall restrict if at all possible the bringing of large musical instruments, art objects and etc. on the bus.
- The child shall be waiting at his boarding station when the bus arrives. In case of an emergency causing late arrival of the pupil at his station, the school bus driver will be required to wait no longer than three (3) minutes after the scheduled time for arrival at the pupil station. If the school bus driver is already three minutes late, he need not wait at all.
- Upon recommendation of the bus driver, school authorities will deny the privilege of riding on the school bus to any pupil who refuses to conduct himself or herself in an appropriate manner on the bus.

## ENTERING and LEAVING SCHOOL

Students are not to arrive to school before 7:45 A.M. and are permitted **only** in the foyer until they are dismissed to the classrooms. School begins promptly at 7:55. Children are expected to remain at school throughout the school day unless a note is received by the school office. Students are counted as tardy after 8:05.

Please make every effort to schedule all appointments after school. Sometimes scheduled doctor and other appointments during the school day are unavoidable; however, students should not be excused from classes for early dismissal for dance, music, or other such lessons. Students arriving after the start of school must be signed into the building by a parent or guardian. Students leaving before the end of the school day must be signed out in the office by a parent or guardian. Children are dismissed only from the office area. **Parents are not to go to the classrooms to retrieve their child.**

## WITHDRAWING from SCHOOL

If it becomes necessary for a student to withdraw from school, the parent or guardian should contact the office and teacher as soon as possible. All classroom books and library books must be returned to the school. Financial obligations must be met prior to withdrawal.

- 1) On school grounds immediately before, during, and immediately after school hours and at any time when a school group is using the school.

### **HOMEWORK and MAKE UP WORK**

South Terrace Elementary views homework as an integral part of the educational process and an out-of-school extension of the class work related to objectives of the curriculum. Homework is a daily part of being a successful student. Students cannot always learn everything they need to know in class, which is why homework is so important. With parental support, children are more likely to do better in school, show more interest, learn more, have improved standardized test scores, and have more success in daily schoolwork.

All homework is due on the following day. Extended assignments will be due on a date established by the teacher. **Students will not be permitted to call home for homework, which they have forgotten to bring to school.** If a student fails to turn in homework the following consequences will be followed for each nine week grading period:

- 1<sup>st</sup> time: parental contact, student assigned to study hall during a recess to complete assignment. Assignment is lowered one letter grade.
- 2<sup>nd</sup> time: parental contact, student assigned to study hall during a recess to complete assignment. Assignment is lowered one letter grade.
- 3<sup>rd</sup> time: parental contact, student assigned to study hall during all recesses equivalent to one full day to complete assignment. Assignment lowered one letter grade.

- 4<sup>th</sup> time: parental contact, student assigned to study hall equivalent to one full day to complete assignment. Student loses good student activity privilege for the nine week grading period. Assignment lowered one letter grade. Student assigned an after school detention. It is the parent's responsibility to provide transportation for their child. Students will need to be picked up at 3:15pm unless otherwise indicated.
- 5<sup>th</sup> time: parental contact, student assigned an after school detention. Assignment must be completed during recess or detention. Assignment must be completed. Students will need to be picked up at 3:15pm, unless otherwise indicated. It is the parent's responsibility to provide transportation for their child.

**Make up work must be requested through the office each day.** If homework has not been previously requested, it is always the **responsibility of the student**, upon returning to school, to ask the teacher for make-up work. Assignments picked up will indicate when they are due. Students who get assignments upon returning to school will have one day for each day's absence in which to submit the required make up work. Missed work caused by an extended illness will be reviewed, and specific dates will be established for the work to be completed.

## **ADDITIONAL INFORMATION and POLICIES**

### **ATTENDANCE POLICY**

Every student enrolled at MSD of North Posey County elementary schools is expected to attend school each day. School attendance is compulsory under Indiana law. Parents who permit their children to be absent without valid excuses are in violation of the law. MSD of North Posey County elementary schools intend to vigorously uphold the Indiana Statutes relating to school attendance. When a student reaches ten (10) days of absence, the parent/guardian will be notified by letter. Should your child reach the level of fifteen (15) days of absence, parent will again be notified by letter and also by the Attendance Officer. The Attendance Officer may or may not make a home visit. At twenty (20) days of absence, the parent/guardian will again be notified by letter, and a home visit by the Attendance Officer will be made. After twenty-five (25) days of absence from school, the parent/guardian will receive a fourth letter and Child Protective Services and/or the Prosecutor will be notified.

Excused absences will be for illness, funeral, doctor and dentist appointments, and other absences approved by the administration. All other absences will be considered UNEXCUSED. All absences (excused and unexcused) will be counted in applying this attendance policy.

Student absences should be called in or a note sent to the office each day. Parents will be called on all absences by 10:00 a.m. if we do not hear from the parent. If a student misses three (3) days in a row, a doctor's excuse is needed to return to school.

If planning a vacation during the school year, you must request the form from our office for approval by the principal one week prior to the scheduled days off in order for the days to be excused. After approval has been received from the principal, the parent should contact the teacher about work missed.

Arriving late to school (tardy) is in violation of the attendance policy and may subject the student to disciplinary action. Tardiness is defined as arriving after 8:05 A.M. Students who are tardy must be signed in at the office before going to class.

### **DRESS CODE**

It is the responsibility of the students to maintain a healthy and respectful-looking appearance while attending school and school activities. Specific regulations of the dress standard:

- 2) Clothing may not display any forms or references to alcohol, tobacco products, and/or illegal substances.
- 3) Tank tops with big arm holes are not allowed. Blouses, shirts and tops must be long enough to cover the midriff/stomach at all times. - 9) No rubber flip flops may be worn at school.

**Appearance must not be considered a disruption to the education process, cause a distraction, or interfere with school purpose. The administration reserves the right to determine what is considered inappropriate or disruptive to the educational process.**

### **VALUABLES**

It is recommended that students do not bring valuables or large sums of money to school and store in their lockers or desks. If it is necessary to bring such items, make arrangements with the teacher or office for safekeeping. Personal DVD players, cameras, paging devices, walkie-talkies, skateboards, rollerblades, shoes with wheels, and laser lights are prohibited. Battery operated toys and games are not allowed on the playground. They may only be used during indoor recess. Games/music cannot be shared between students. Vulgar/obscene video games/music will not be allowed. No personal iPads, laptops, or similar devices will be allowed. Cellular telephones are not permitted at school or on the school bus.

### **MSD OF NORTH POSEY COUNTY ANTI-BULLYING POLICY**

The school board of MSD of North Posey County prohibits acts of bullying of a student. The school board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior; treating others with civility and respect; and refusing to tolerate harassment, intimidation or bullying.

A complete copy of the MSD of North Posey Anti-Bullying Policy will be disseminated to all students at the beginning of each school year. The policy can also be found on the MSD of North Posey website at [www.northposey.k12.in.us](http://www.northposey.k12.in.us).

### **SEXUAL AND RACIAL HARASSMENT POLICY**

The MSD of North Posey County has adopted a sexual harassment policy and a racial harassment policy. It is the policy of the MSD of North Posey County Schools to maintain a learning and working environment that is free from sexual harassment. It shall be a violation of this policy for any employee of MSD of North Posey County Schools to harass any student, teacher, other school employee, or visitor through conduct or communication of a sexual nature. It shall also be a violation of this policy for a student to harass any student, teacher, other school employee, or visitor through conduct or

communication of a sexual nature. The use of the term “employee” also includes non-employees and volunteers who work subject to the control of school authorities. A complete copy of the sexual harassment policy and complaint procedures is available upon request. A copy of the sexual harassment and racial harassment policies are located in the South Terrace office.

#### **ASBESTOS POLICY**

Under the Asbestos Hazard Emergency Response Act (AHERA) OF 1986, South Terrace Elementary is required to annually notify all school building employees, building occupants or their legal guardians, of the availability and location of the Asbestos Management Plan(s) and of any post-response action activities, including periodic re-inspection and surveillance activities that are planned or in progress.

We are happy to report that the following facility, South Terrace Elementary, has been thoroughly inspected and that there are no asbestos-containing building materials.

However, State and Federal law requires that we notify you annually that we maintain an asbestos management plan for each building. The AHERA Management Plan is available for public review at the Administration Office. You are welcome to inspect and copy these plans during normal business hours. A reasonable charge will be made for requested copies of the Management Plan(s). If you have any question about our asbestos program, please call Dr. Todd Camp, Designated Person for the school system at 812-874-2243.

The policies and procedures contained in this student policy handbook have been approved by the school board of the MSD of North Posey County.
