INTRODUCTION

Welcome to North Posey High School, the "Home of the Vikings," where spirit, pride, and tradition are the bywords of a school in which the entire community takes pride. Your success and the success of our academic and extra-curricular programs depend upon your active participation.

This student handbook has been prepared to acquaint you with your school. Please read over the rules and policies. Share them with your parents, too! Each has been given careful thought and the faculty, staff, and students feel these rules and policies are essential for the welfare of all concerned. In addition to social dates, the calendar section should be used for homework assignments, due dates, and recording progress for parent review.

PHILOSOPHY

An educated citizenry is essential to a democratic society. To ensure that North Posey High School students can assume their roles in that society, our school is committed to meeting our students' educational, emotional, and psychological needs.

The school's primary function is to address the educational needs of its students; the school and community together must encourage scholastic achievement, promote responsible behavior, foster self-respect and respect for others, and champion the concepts and values of our pluralistic society. Likewise, the students themselves must accept responsibility for their own development, and with appropriate encouragement, exert the effort necessary for success.

MISSION STATEMENT

We, the staff of North Posey High School, accept the responsibility of providing to our students the educational background and basic skills necessary to achieve their potential. Our intent is to foster in each student positive emotional development, effective social interaction, and responsible citizenship, as well as a desire to learn and to succeed. We encourage the participation of students, parents, and school personnel in a cooperative effort to provide a productive learning environment.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (**FERPA**) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are as follows:

- (1) The right to inspect and review the student's education record within 45 days of the day the school corporation receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- (2) The right to request the amendment of the student's educational records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the M.S.D. of North Posey County to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the school corporation decides not to amend the record as requested by the parent or eligible student, the school corporation will notify the parent or eligible student of the decision and the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the school corporation as an administrator, supervisor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school corporation has contracted to perform a special task (such as attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school corporation to comply with the requirements of FERPA. The name and address of the office that administers FERPA is as follows:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, S.W.
Washington, D.C. 20202-4605

In addition to any other rights with respect to the inspection of instructional materials, the parent or guardian of a child enrolled at North Posey High School shall be entitled to inspect those instructional materials that will be used in connection with any survey, analysis, or evaluation as part of any school program or curriculum. No student shall be required without prior written consent of the student's parent or guardian to submit to a survey, analysis or evaluation in which the primary purpose is to reveal information concerning:

- (1) political affiliations
- (2) religious beliefs or practices
- (3) mental and psychological problems potentially embarrassing to the student or his/her family
- (4) sexual behavior and attitudes
- (5) illegal, anti-social, self-incriminating and demeaning behavior
- (6) critical appraisals of other individuals with whom the student has a close family relationship
- (7) legally recognized privileged or confidential relationships such as those of lawyers, physicians or ministers
- (8) income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

Any consent form used in compliance with this policy must state the contents and nature of the personal analysis, survey, or evaluation.

The school corporation, without the consent of parents or students, may release to colleges or to State or local governmental agencies as directed by State code certain "directory information," which means information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed and which includes, but is not limited to, the student's name, address, parents' names and their home and work telephone numbers, major field of study, participation in official recognized activities and sports, heights and weights of members of athletic teams, dates of attendance, awards received, motor vehicle description (including license plate number), hair and eye color, race, sex, date of birth, height, weight, grade level, and other similar information, to colleges, state or local governmental agencies as directed by State Code.

Parents of a student less than 18 years of age or of a student who is at least 18 years of age objecting to disclosure of any or certain of the categories of directory information should request a form from the principal's office to deny consent for release of all directory information, or he/she may selectively deny consent by circling those categories of directory information he/she does not wish released.

Building principals shall insure that parents are informed of their right to object to the release of directory information and that they have 15 calendar days from the beginning of the school year in which to file an objection.

NON-DISCRIMINATION

The Board of Education for the M.S.D. of North Posey County shall not discriminate on the basis of race, color, gender, religion, ancestry, veteran status, national origin, limited English proficiency or disability in any programs and/or activities of North Posey High School, Poseyville, Indiana, including, but not necessarily limited to, employment practices and participation in educational offerings as required by the Indiana Civil Rights Law (I.C. 22-9-1) Title IV and Title VI (Civil Rights Act of 1964), the Equal Pay Act of 1973, Title IX (Educational Amendments), and Section 504 (Rehabilitation Act of 1973).

VISITORS

North Posey High School is a **closed campus**. Students are not permitted to bring visitors to school with them during school hours. Infants and toddler children should remain in the administrative area; the staff member or student will come to the office area for the visit. Interested parents and school officials are always welcome. **All individuals entering the school must report to the office and sign in. Approved adults may be issued a visitor's pass to enter specific areas of the building.**

GENERAL INFORMATION

HEALTH AND SAFETY

HIGH SCHOOL HEALTH SERVICES

The state of Indiana requires proof of current immunizations upon entry into the school. No student shall be permitted to attend school beyond the first day of school without providing proof of immunizations. It is the parent's responsibility to keep all immunizations current. The state of Indiana mandates vision and hearing screenings. Hearing is screened in 10th grade. Vision and hearing screenings will be completed upon request of a parent or teacher.

Medications should be given at home whenever possible. All student medication must be turned into the school nurse along with a signed medication parent permission form. Medications prescribed for an individual student shall be kept in the original container bearing the original pharmacy label and the student's name. Over-the-counter medication shall be sent to school with the manufacturer's original label and the student's name affixed to the original package.

Any medication sent to school that is not in the original container will NOT be administered to the student. If a medication is to be terminated, a written and dated consent for withdrawal by the parents is required. The physician order or parental permission is valid for one school year. For students in grades 9-12, medication can be sent home only with written permission from the parent/guardian. This is required by Indiana State Law. Students may transport medications from home to school. All medication not picked up by the parent will be destroyed at the end of the prescribed time or on the last day of school.

EMERGENCY CONSENT-HEALTH INFORMATION-MEDICATION AUTHORIZATION FORM- Must be completed in Harmony by parent/guardian at the beginning of each school year or at the time of registration.

In order for a student to carry his/her inhaler on person, a physician statement and parent signature needs to be on file in the nurse's office. This is required by Indiana State Law.

If the student is being treated for pink eye or strep throat, the student must be on antibiotics for 24 hours prior to returning to school. Please notify the school nurse if the student has been diagnosed with any contagious disease. A student must be fever free, no vomiting or diarrhea for 24 hours before returning to school. All students need a working telephone number in case of an emergency, illness or injury.

Aid is available, when needed, in the health center. Students should feel free to consult with the nurse concerning any health problem. If the nurse is not in the health center, an ill student should go directly to the high school office for available help. In case of illness, injury, or emergency, a student should notify the nearest teacher immediately. Before reporting to the health center a student should report to class and obtain a pass. A student shall not be admitted to the nurse's office without a pass, except in an emergency, at lunch, or before/after school. The pass indicates that the student has reported to class and is absent from the classroom with the teacher's permission. **Students should not remain in a restroom or other area while ill.** The nurse will write arrival and departure times on the pass and sign it. The student should return the pass to the teacher. Students who become ill and have a fever will be sent home whenever possible. If there is

no fever, a student may lie down in the nurse's office for one (1) period only. Students will be sent back to class after one period. **Students may not leave the school for illness without first reporting to the nurse, attendance officer, counselor, or assistant principal and signing out in the office.**

IMMUNIZATIONS

Indiana State Law requires immunizations. No child will be permitted to attend school without furnishing written proof of immunizations. An immunization waiver for medical or religious exemption requires written documentation.

COMMUNICABLE DISEASES

The local health officer may exclude from school a student who has a dangerous communicable disease that (1) is transmissible through normal school contacts; and (2) poses a substantial threat to the health and safety of the school community. A person who objects to the determination made by the local health officer may appeal to the superintendent, who is the ultimate authority. If the local health officer subsequently determines that a student who has been excluded from school does not have a dangerous communicable disease, the local health officer shall issue a certificate of health to admit or readmit the student to school. If a child is ill, has a communicable disease, or is infested with parasites, the school principal may send the child home with a note to the child's parent or guardian. The note must describe the nature of the illness or infestation and, if appropriate, recommend that the family physician be consulted. A child who is sent home may be readmitted to the school (1) when it is apparent to school officials that the child is no longer ill, no longer has a communicable disease, or is no longer infested with parasites; (2) upon certification of a physician that the child is no longer ill, no longer has a communicable disease, or is no longer infested with parasites; (3) upon certification of a physician that the child has a communicable disease but the disease is not transmissible through normal school contacts; or (4) upon certification by a Christian Science practitioner, who is listed in the Christian Science Journal, that based on the practitioner's observation the child apparently is no longer ill, no longer has a communicable disease, or no longer is infested with parasites. If school personnel disagree with the certifying physician that the child should be readmitted to school, the local health officer shall determine whether the child should be readmitted to school.

AIDS POLICY

Children with Acquired Immune Deficiency Syndrome may attend school in M.S.D. of North Posey County: Acquired Immune Deficiency Syndrome (AIDS) is a disease caused by the Human Immunodeficiency Virus (HIV). AIDS is transmitted from an infected person to someone else by intimate sexual contact, by sharing hypodermic needles, from a mother to her unborn child, and (very rarely) by blood transfusion. There is no evidence to support that AIDS can be transmitted by any type of "casual contact," including all of the kinds of activities and behaviors that occur in school. Therefore, restricting the attendance of known AIDS patients or persons known to be infected with HIV is not an effective method to prevent the transmission of the virus, and may violate state and federal law.

- Students infected with HIV shall be allowed to attend school.
- Students infected with HIV will not be restricted from school unless they have evidence of other infection or illness for which any student would be restricted (fever, diarrhea, respiratory illness etc.).
- A student infected with HIV may need to be removed from the classroom for his/her own protection when cases of measles, chickenpox, or other infectious diseases are occurring in the school corporation.

When school officials learn of an HIV-infected student, appropriate school officials, the student (optional), the student's parents/guardians, and the student's physician should work together to determine who has a "need to know" of the HIV status of the student. Because of the right to privacy, state law (IC-1-9.5-7) requires that personal records and medical information must be held

strictly confidential.

PHYSICAL EDUCATION

Students have required dress for gym classes (red, black, gray, or white shorts and a red, black, gray, or white North Posey T-shirt). The school strongly recommends that students write their names on each article of clothing. **Students need to inform the office about any serious health problem that may affect their participation in physical education.** A student must have a **doctor's written statement** to be excused from participation in physical education for more than two days. Students are responsible for all valuables and are expected to lock up valuables when in class.

DISASTER DRILLS

Fire and emergency drills will be held periodically throughout the school year. Students should follow the procedures that are posted in each classroom. It is the responsibility of each student to be familiar with the evacuation route or storm drill procedure in each classroom. Students should move quietly and follow the directions of the teacher.

STUDENT SERVICES AND SCHOOL BUILDING

STUDENT CITIZENSHIP RATING

The citizenship rating is a prerequisite for participation in those school activities that exist under state or national charters which require citizenship ratings for election or selection to positions such as those of class officers, student council officers, homecoming court, field trips, college visitation days, school selected representatives for community recognition, and other school activities as designated by school principal/designee. The student must possess the rating to qualify for selected honorary positions. To serve in the above elected positions, the student must possess the rating the entire semester of election, for the semester prior to election, and while serving in the position. **Reasons for losing citizenship rating:**

1. Suspension or expulsion from school
2. Excessive referrals (5 or more in a year)
3. Excessive absences (5 or more countable in a semester)
4. Two or more failures of a class in any given grading period and/or semester
5. Citizenship rating may be revoked or restored by the principal or designee for justifiable reason.

SCHOOL CLOSING

In the event of severe weather conditions causing school to be closed, students will be notified through our School Reach phone system. In most cases, an announcement will be made before 6:30 a.m. **Do not call school officials or bus drivers to ask if school will be closed.**

BOOKSTORE

The bookstore is located in the main office.

LOCKS, LOCKERS, AND BOOK BAGS

All lockers made available for student use on the school premises, including lockers located in the hallways, in physical education, and in athletic dressing rooms, and industrial education classrooms, are the property of the school corporation. These lockers are made available to students to store school supplies and personal items necessary for use at school. The lockers are not to be used to store items which cause, or can reasonably be foreseen to cause, an interference with school purposes or an educational function, or which are forbidden by state and federal law or school rules.

The student's use of the locker does not diminish the school corporation's ownership or control of the locker. The school corporation retains the right to inspect the locker and its contents, with or without the knowledge or permission of the student, to insure that the locker is being used in accordance with its intended purpose, and to eliminate fire or other hazards, maintain sanitary conditions (open

drink containers or food), attempt to locate lost or stolen materials and prevent use of lockers to store prohibited or dangerous materials such as weapons, illegal drugs, alcohol, or tobacco products. **Lockers must always be locked when not in use.** Students should not give their combination to anyone else, nor should they leave money or valuables in their lockers. Students are responsible for all contents in their assigned locker.

The school corporation understands that it is convenient for the student to carry books to and from school in a book bag. However, book bags and purses are not to be carried to classes during the school day and are to be stored in the student's locker. Students may use lockers before the bell begins and ends the lunch periods, but not during the lunch periods.

SCHOOL BREAKFAST, LUNCHESES, CAFETERIA, AND FOYER

Breakfast will be served from 7:40 to 8:00 each morning. The cost for students is 1.35 and 1.85 for adults. A student lunch costs 2.35 and an adult lunch is 3.10. A la Carte is offered but prices may vary. Students are to keep food and drinks in the cafeteria and dispose of the items properly before leaving. Three lunch lines are available to students. Each a la carte food item is priced individually. **There is absolutely no charging of lunches or a la carte items.** Students must pay for their lunches after going through the serving line. Free or reduced lunches are available for families that meet the financial requirements. Applications for free and reduced lunch fees are available in the office. Students who run a negative lunch balance exceeding -\$5.00 must make a deposit to their lunch account. Students bringing their lunch to school are to eat in the cafeteria or foyer area. Trays are not to leave the cafeteria. Students should limit books in the cafeteria to those needed for lunch time study. All school rules apply to the cafeteria. Students should push in their chairs and clean off the table where they have eaten, dispose of trash, and return trays to the proper area.

Students may choose to congregate in the school foyer; however, open drink containers are confined to the foyer and the cafeteria. If students do not clean up after themselves, the administration reserves the right to revoke these privileges.

SCHOOL PICTURES

Each year Straub Photography takes yearbook pictures of students in grades 9-11. It is important that all students have their pictures taken if they are to appear in the yearbook (*Valhalla*). The purchase of this picture and/or additional pictures through one of the picture plans is optional. All seniors should have a picture taken with the school's designated photographer (Straub Photography). This is the picture that will appear in the yearbook.

TRANSPORTATION

According to state and national statistics, school buses are by far the safest form of transportation on our roads. School bus safety requires teamwork, and we will always rely on parents for support in promoting bus safety. Our drivers have the responsibility to make safe transportation their first priority. Occasionally, a student's misbehavior will distract the bus driver. The bus driver must act promptly to stop such behavior in order to protect the safety of all students being transported. If misbehavior persists, the driver may deny the offending student transportation for the day, and the principal/assistant principal may deny additional days depending on the severity of the problem. In some cases, the school may permanently deny bus transportation services. No rules or guidelines can cover all incidents that will arise. However, the following guidelines are necessary for the safety of all students who ride buses in the M.S.D. of North Posey County. Any violation of these guidelines may result in the immediate loss of bus-riding privileges:

1. All riders shall remain seated while the bus is in motion.
2. All riders will keep their hands, head, legs, feet and possessions within the bus.
3. Scuffling, horseplay, eating, and drinking are forbidden.
4. Bus riders will not litter the bus with debris.
5. The rider shall pay for any damage he causes to the bus or the property of others.
6. Riders will cooperate with the bus driver at all times.

7. Student possessions and all other objects must be kept out of the aisles. Safety requires clear aisles.
8. Riders will apply all school rules regulating student behavior to the bus.
9. Students are monitored with audio and visual equipment on every bus to promote safety consciousness.
10. School officials will determine which acts endanger the safety of others and what discipline will be issued.

Students will not be discharged from the bus except at the school in which they are enrolled, at designated exchange points, or at their homes. **Requests for exceptions must be in writing from the parents to the bus driver and building principal.** If the bus is full, guest passes may be denied. Upon recommendation of the bus driver, school authorities will deny the privilege of riding on the school bus to pupils who refuse to cooperate and conduct themselves in compliance with school rules.

DRIVING PERMITS AND STUDENT DRIVING

Students who wish to drive to school must park in the student parking areas east and north of the auxiliary gym. Students should park and lock their vehicles and then go immediately into the school. Students may not leave school grounds once they arrive on school property. All vehicles parked in the student parking area must display a valid parking permit. Drivers must possess a valid Indiana Driver's License. Drivers may obtain a permit from the office for a fee of \$1.00. Parking passes will be checked by administration and school resource officers. After the initial deadline established by administration, parking pass fees will increase to \$5.00. Students who obtain their license during the school year may obtain a pass for \$1.00 within 2 weeks of their driver's license issue date. Designed to hang from the rear view mirror, permits may be transferred to any vehicle owned by the registered driver or the registered driver's family. Any noncompliance may result in disciplinary action, the vehicle being towed at the owner's expense and/or the driver losing driving privileges. Students driving to, from school, or on school grounds in a reckless manner shall lose the privilege of driving to school. Only properly licensed roadway vehicles are to be driven to school. Students may not drive behind the Jr. High at any time.

EVANSVILLE CAREER AND TECHNICAL CENTER

The following situations will affect students who are attending the career and technical center in Evansville:

1. If NP does not have school but the EVSC does, students should report to their career and tech class at the normal time.
2. If the EVSC does not have class but NP does, students should report to classes at NP as scheduled. Therefore, a student who is going to the career and tech center in the morning will only have to attend their normal classes in the afternoon at NP. A student who is attending classes at the career and tech center in the afternoon should report to NP by 8:00am or normal time.
3. If NP is on a shortened schedule, morning career and tech students should attend their classes at the career and tech center. These absences at NP will not count against them. Afternoon career and tech students should report to NP at the regular time and can leave at their normal time or when they have completed their classes. Students on shortened schedules will leave at scheduled time on 2-hr delay.
4. If you are unable to attend your classes at the Career and Tech Center please call them at 435-8438. Other information regarding the Southern Indiana Career and Technical Center may be found at www.sictc.com
5. Students should attend their career and tech classes in the event of a two-hour delay for weather, professional development, etc. If this isn't possible, please inform the guidance department.

WORK PERMIT

A student who is seeking employment must obtain a work permit from the office. Students must be 14 years of age to be eligible for a work permit. However, there is a restriction on the type of work 14 year olds are permitted to do.

The following information pertains to work permits:

To request a work permit from the office, a student must present the following:

- a) **Birth certificate;** and
 - b) **Intention to employ** form that is properly filled out--this must include the signature of one of the student's parents/guardians and the employer.
1. If a work permit has been issued, it is valid only at the business for which it was requested. Students changing jobs must obtain another work permit through the process outlined in number one.
 2. Whenever a student leaves a job, the employer is required to notify the school that the student's employment has been terminated by mailing the Termination Notice that is attached to the student's permit.
 3. Until the Termination Notice is received, North Posey High School will not issue a new work permit. Work permits do not take long to issue; office personnel will notify students when the permit is available for pickup. We suggest that students request the permit prior to the day they intend to start working. To apply for a student work permit, a student should have a **C-(1.7) grade point average and a 95% attendance rate**. A student may not be issued a work permit if he/she does not meet these criteria. To keep a permit valid, a student must maintain a 1.7 grade point average and a 95% percent attendance rate. If a student does not meet these requirements, the school reserves the right to revoke the work permit.

SCHEDULING

Students are counseled each year by the Guidance Department to insure proper selection of courses for completion of graduation requirements. Scheduling is handled by the Guidance Department and all changes and/or corrections in schedules must be approved by administration. No schedule will be changed during the semester for any reason. If a student drops a class after the first two weeks of first semester or the first five days of second semester other than for medical reasons, the student may receive a W/F (withdrawal/failure) for the class(es) dropped. The "F" will calculate into the student's grade point average.

SCHEDULE CHANGES

Students are expected to follow the class schedule they receive for the entire school year. **First semester changes must be made within the first ten days of the semester. Second semester changes must be made within the first 5 days of the second semester.** Schedules will be changed only for the following reasons:

1. An error in scheduling
2. A failure in a required course
3. A definite need for a required course
4. Administrative decision

WITHDRAWALS FROM SCHOOL

Under Indiana law (I.C. 20-33-2-9) any student who is sixteen (16) years of age but is not yet eighteen (18) years of age, may withdraw from school prior to graduation after an exit interview with the student's parents or guardian and the student's principal, is conducted with the appropriate school employee. A student may not withdraw from school unless the withdrawal is due to 1) financial hardship and the student must be employed in order to support the family; 2) the student's illness; 3) an order of the court with jurisdiction over the student.

INSTRUCTIONAL INFORMATION AND SERVICES

MEDIA CENTER

The media center of our school contains computers, books, pictures, maps, and materials relating to subject-area studies and for leisure reading. The library staff strives to provide adequate materials and equipment to assist faculty in instruction and students in fulfilling assignments and in pursuing individual interests. The library is primarily a research area where classes and individuals, whether or not involved in research, must maintain a quiet atmosphere. The following general regulations are to be followed: (1) Admittance to the library is by pass only, except when a class and instructor come together. Students must sign in and out. Class groups must be accompanied by a teacher who will remain with this group; (2) Materials may be checked out at the desk and renewed for a specific period of time; (3) Students who do not respect library regulations will be asked to leave. Repetition of an offense will result in the total loss of library privileges; (4) Students and faculty members are responsible for material borrowed. Fees will be charged for lost or damaged material. Final exam exemption status may be denied and report cards and transcripts held until fees are paid.

FLEX PERIOD

The flex period will take place the first 25 minutes of the school day for students who do not have a zero period class. Students will meet with their first period teachers. There will not be a passing period after flex period. Students must have all first period materials with them. Students have two activity options during this time (1) Read or (2) Work on homework. Students may bring library books, independent reading material, and other appropriate reading material. Sleeping during flex period is considered insubordination and a referral will be issued.

ZERO PERIOD

Students enrolled in a zero period class will attend class from 7:30am to 8:20am. Students will use the time between 8:20am and 8:25am as a passing period to transition to their 1st period classes. Bells will not ring at 8:20am. Students in zero period strength and conditioning must wait in the foyer until 8:20am before moving to 1st period.

TEXTBOOKS

A book rental fee is established each year for students. This price does not include workbooks and/or assessments for materials in certain courses. All book rental and material costs should be paid by the end of the first full week of school. Until fees have been paid, report cards, transcripts may be held and final exam exemptions denied. Free textbook rental is available for families that meet the financial requirements prescribed by the government. Applications are available in the office. Students are responsible for all books and materials issued to them. If an item is damaged in any way, a fine may be assessed. If a book is lost, it is the responsibility of the student to pay the replacement cost. Students are not to give or loan books to other students.

Students are to use only programs and equipment specified by their teachers. Students should not share their individual passwords with others. Students found violating the school's **Acceptable User Policy** will be given consequences deemed appropriate by the administration. Students must have an Acceptable User Policy Form on file in the office.

FIELD TRIPS

Field trips are an excellent resource to enhance classroom instruction and provide students with opportunities that are unavailable through the regular school setting. It is necessary to have a signed parent/guardian permission form completed and returned to the instructor. No student will be permitted to attend the field trip without the proper form on file. The teacher or principal may prohibit students with attendance, behavior, and/or academic problems from attending a field trip. Any student who has lost his/her citizenship rating is prohibited from attending field trips. Any work due on the date of the field trip must be turned in before leaving for the trip.

ASSEMBLIES

Assemblies for educational, recreational, and entertainment purposes will be given throughout the school year. Please observe the following guidelines:

1. Enter the gym or auditorium quietly and be seated at once;
2. Become silent and attentive as soon as the person introducing the program appears;

GUIDANCE SERVICES

The Guidance Department of North Posey High School strives to assist teachers, parents, and the students and anyone else who is concerned with the development of students. The Guidance Department recognizes the physical, mental, and social influences on the total development of all students, separately and as they relate to each other. The Guidance Department attempts to deal with the teenager in his/ her most common roles in the home, school, peer group, world of work, and the adult world of which he/she will become a part. The Guidance Department is the starting point of all enrollment, scheduling, schedule changes, or withdrawals.

HONOR ROLL

There are three (3) honor rolls for each grading period. The "A" honor roll is a perfect 4.00 grade point average. The high honor roll requires a grade point average ranging from 3.50 to 3.99. The regular honor roll requires a grade point average ranging from 3.00 to 3.49. All subjects are counted on all of the honor rolls.

TESTING

North Posey provides opportunities to apply for and/or take the following standardized tests to enable the teachers and staff to assess a student's ability, in addition to the required state testing for graduation:

- **PSAT:** The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is a program cosponsored by the College Board and National Merit Scholarship Corporation (NMSC). The PSAT is a standardized test that provides firsthand practice for the SAT®. It also gives Juniors a chance to enter NMSC scholarship programs and gain access to college and career planning tools. The PSAT/NMSQT measures critical reading skills, math problem-solving skills, and writing skills. The most common reasons for taking the PSAT/NMSQT are to receive feedback on strengths and weaknesses on skills necessary for college study, see how performance on an admissions test might compare with that of others applying to college and help prepare for the SAT.
- **SAT & ACT:** College entrance examinations, required for admission to all major colleges and universities. Juniors and seniors at various times of the year may take these tests. North Posey High School does not administer the SAT or ACT and fees are charged. All students are encouraged to take the SAT and the ACT at least one time by the end of their junior year.

GRADE POINT AVERAGE AND WEIGHTED GRADE POINT AVERAGE

AP/Advanced Level courses are those high school courses based upon high-level achievement in a sequence of study. Advanced level courses are designated in the North Posey High School course description guide (each school year), and include Advanced Placement and specific high-level courses that require a greater use of abstract thinking skills and more rigor.

Weighted grade points are similar to grade points except that weighted grade points differentiate between regular courses and all courses designated as AP/Advanced level courses. Weighted grade points are the numeric equivalent of a student's grade in credit-bearing course according to the following scale:

Letter Grade	Percentage	Grade Points	Weighted Grade Points
A	93-100%	4.0	5.0
A-	90-92%	3.7	4.7
B+	88-89%	3.3	4.3
B	83-87%	3.0	4.0
B-	80-82%	2.7	3.7
C+	78-79%	2.3	3.3
C	73-77%	2.0	3.0
C-	70-72%	1.7	2.7
D+	68-69%	1.3	2.3
D	63-67%	1.0	2.0
D-	60-62%	0.7	1.7
F	0-59%	0.0	0.0
4.00 "A" Honor Roll			

3.50-3.99 High Honor Roll
3.00-3.49 Regular Honor Roll

AP/Advanced Level courses that will be weighted:

Anatomy and Physiology	Digital Electronics	AP Computer Science
AP English Lit and Comp	Medical Interventions	AP Physics
AP Calculus AB	Chemistry II	AP English Lang and Comp
U.S. History Honors		

AP/Advanced level courses offered by institutions other than North Posey High School (correspondence, online, or APEX) will not be included in the weighted GPA. However, transfer courses taken at accredited high schools will be included in the weighted GPA. The Valedictorian/Salutatorian will be awarded to the students ranked number one and number two based on the unweighted GPA after completing eight semesters of high school and earn the Indiana Core 40 with Academic Honors or Technical Honors Diploma; however, the weighted GPA will be reflected on the transcript for all students. .

FAILURES, INCOMPLETES, NO CREDIT (N/C)

A student's GPA is to be figured by all classes attempted by that student. Students cannot replace a grade by retaking a class. If a student receives an "F" in a class for the semester and then re-takes the class, both grades will be used in figuring the grade point average. A student may receive an "I" for incomplete work; however, the student must replace the incomplete within a two-week period (there can be exceptions i.e. prolonged illness) or the "I" will become an "F". It is the responsibility of the student to complete all work to change an incomplete grade. All incomplete grades not properly completed shall become an automatic failure.

A student who loses credits because of poor attendance will receive a N/C (no credit) in the class he/she is passing or an F if the student is failing the course.

REPORT CARDS

Report cards are posted to Harmony during the week following the end of each grading period. Extra copies are available from the office on request by the student or parent.

GRADUATION QUALIFYING EXAM REQUIREMENT (2022 COHORT)

North Posey High School Students meet the graduation requirements as long as they earn 40 credits, meet the requirements listed above and pass the state required assessment for mathematics and language arts. Students who do not pass these assessments can apply for a graduation waiver. Students applying for a graduation waiver must meet the following requirements

The North Posey High School Waiver Committee will recommend a student waiver for students who do not have a disability (as defined in IC 20-18-2-9). For those students with disabilities (as defined in IC 20-18-2-9), the student's case conference committee will function as the Waiver Committee.

The North Posey High School Waiver Committee will be selected and function as defined in IC 20-18-2-7

The principal reserves the authority to make the final recommendation for the waiver.

II. **Certificate of Completion** will be awarded to those completing high school without meeting minimum state requirements.

Students required by the Indiana Department of Education to graduate by way of a graduation pathway must fulfill the following requirements:

1. Earn a high school diploma
2. Learn and demonstrate employability skills through a work-based, service-based, or project-based activity
3. Demonstrate post-secondary readiness competencies

The NPHS guidance department works closely with students and assists them with fulfilling these requirements. For additional information on graduation pathways please visit the following website at <https://www.doe.in.gov/graduation-pathways>.

SEVENTH SEMESTER GRADUATION

Mid-year graduation must be approved prior to the beginning of the **second nine-week** grading period of the sixth semester. Applications are available in the guidance office. A student planning to graduate at mid-term must be enrolled as a full-time student during the seventh semester and be on track to earn a Core 40 Diploma. A full-time student must be in attendance for six hours of instruction per day. If graduation requirements have been met at the close of the seventh semester, the student will likely be approved for mid-year graduation. One of the following criteria must be met:

1. Student has full-time employment.
2. Student has entered into military service.
3. Student has entered into an institution of higher learning.
4. Other justifiable reasons as determined by the principal.

Only those students successfully completing graduation requirements as prescribed by the M.S.D. of North Posey County and the State of Indiana may participate in graduation exercises held in the spring. All students going through graduation must attend the rehearsal.

EXTRA CURRICULAR PROGRAMS

ATHLETICS

Boys in grades 9 through 12 are offered baseball, basketball, cross-country, football, golf, soccer, tennis, track, and wrestling.

Girls in grades 9 through 12 are offered basketball, cross-country, golf, softball, soccer, tennis, track, volleyball, and cheerleading.

Indiana High School Athletic Association rules require that students who compete in sports (including cheerleading) must be **passing five solid classes** for the grading period involved. All subjects for which one credit per semester can be earned are considered solids. Students should check with their counselors to be sure they are meeting these requirements. The I.H.S.A.A. also requires that students participating in sports must have a **completed physical form on file** in the

Activities Director's office before they are eligible to practice. Athletes are advised to carry at least six solid subjects each grading period. All athletes are expected to be good citizens on and off the field or playing course. Students participating in athletics will abide by the established I.H.S.A.A. regulations and the North Posey High School Athletic Handbook. It is the responsibility of the athlete to know all specific athletic rules. All the rules and regulations of the school are to be strictly adhered to as well. Coaches may establish other rules they deemed necessary to maintain proper control of their team. An athlete's failure to comply with state, school, and team rules may result in the immediate dismissal from the respective team.

CLUBS

A club schedule will be established at the beginning of the school year. Clubs will meet during school hours one time a month. Students may belong to one AM Club and one PM club. Prior to the first club meeting, students will sign up for the clubs of their choice. Students not belonging to a club will meet with their assigned teachers for a study hall. Clubs will not meet in August or May during school hours. Club sponsors set meeting times and rules. Honorary membership is available at the approval of the sponsor.

INFORMAL DANCES

Dances are for NPHS students only. The following guidelines regulate dances:

1. Once students leave the dance, they will not be readmitted.
2. No student will be admitted after 10:00 p.m.
3. All after-game dances will end by 11:00 p.m.
4. Students will not be allowed to loiter outside the building, in the parking lot, or on school grounds. Violators of this rule will be asked to leave.

FORMAL DANCES

Before Christmas, North Posey students (9-12) are invited to a Snowball dance where they are allowed to bring someone from another school. During the spring of each school year, the junior class plans and sponsors the Junior-Senior Prom. Only those juniors and seniors officially enrolled as students at North Posey High School and approved mid-term graduates will receive an invitation to the Prom. Prom is a school function; parents/students are expected to use good judgment when selecting appropriate attire. Students dressed inappropriately may be asked to leave by the administration.

Rules listed below also apply for Snowball/Prom.

1. The guest is registered in the office by the end of the last lunch period on the day designated for the dance. (Principal, assistant principal, or sponsor of dance must **approve** guests.)
2. A guest form is obtained from the office, completed by the guest, and returned.
3. The guest presents a photo ID to the chaperone at the door for admittance to the dance.
4. The NPHS student and guest attend together.
5. The NPHS student assumes **full responsibility** for the behavior of his/her guest.

8. Students and guests will not be allowed to loiter outside the building, in the parking lot, or on school grounds. Violators of this rule will be asked to leave.

All school rules and regulations are in effect at all school dances held at the school or sponsored by the school at another facility.

STUDENT ASSISTANTS (JUNIORS AND SENIORS ONLY)

Student assistants are assets to the school. It is a privilege to be selected as a student assistant. Student assistants must meet the following criteria:

1. Maintain at least a **95% attendance** record; and,
2. The student must show the supervisor his/her report card each reporting period. If a student receives two D's or one F or falls below a 2.7 GPA, the student will no longer be a student assistant. Other arrangements will be made for this student. If passing, the student may return to duty. On the second offense, the student may be removed from the position altogether.
3. Students must be willing to be held to a higher level of responsibility and confidentiality. Any disciplinary action may result in removal from the position.
4. Students must fill out a request to become an assistant before being considered.

HONORARY ORGANIZATIONS

National Honor Society: Eligibility for membership is open to sophomores (after first semester), juniors, and seniors who have a cumulative grade point average of 3.5 or above and have completed required application process. The student must have demonstrated service to the school and community, positive leadership, behavior, attitude, integrity, ethics, and cooperation throughout their high school career. Members are required to maintain a high level of scholarship, service and character to retain membership. **Loss of citizenship and cheating will affect a student's current status or enrollment eligibility in NHS.**

ATTENDANCE INFORMATION

ATTENDANCE PROCEDURES

Regular and punctual school attendance is vital to deriving maximum benefit from the instructional program and to developing habits of responsibility, punctuality and self-discipline. Consistent daily attendance of students **is not an option**; it is a requirement under the laws of Indiana as expressed in the **Compulsory Attendance Statute (IC 20-33-2)**. Ensuring students consistently attend class on a daily basis is a responsibility which is shared, and rightly so, by students, school officials, parents/guardians, and the general community at large. Unless a student is legally emancipated, parents are considered by North Posey High School to have educational rights until graduation even if the student is eighteen. Therefore, the parent is responsible for attendance and will receive grade reports. Students who are in violation of school attendance regulations may be reported to the judicial system and/or expelled. A parent/guardian must also recognize that time away from school for vacations, health-care appointments or other events or occasions not directly related to the student's educational program should be kept to an absolute minimum, and when unavoidable, scheduled at times that would result in the least interference with the school day, and thus, the educational process. Attendance is recorded each period and is reported by grading period on the student's report card. Students who are too ill to attend school the last four periods of the day are also not allowed to attend or participate in any extracurricular events on the same day. Students ill on Friday may participate in weekend activities if they are well enough to do so. Students who miss school for personal reasons must also be in attendance for at least half of the school day in order to participate in extracurricular events occurring on the same day.

Consequently, the Board of School Trustees of the M.S.D. of North Posey County has determined attendance shall be reflected in the individual student's records, and those students who are avoidably absent shall be subject to academic and disciplinary penalty.

Upon arrival at school, all students should immediately enter the building. Loitering in the parking lot is not allowed. Students may not leave school at any time during the school day without the consent of the parent/guardian and the principal/designee. Students are expected to be present in school before and after appointments whenever possible. **Any students who are leaving and/or returning during the school day must sign in and/or out in the main office.** Students the SICTC, a Co-op, or on early dismissal do not have to sign in or out in the office. However, the front door will be the only door students may enter after 8:00 a.m. Failure to comply with these expectations results in an automatic unexcused absence.

ATTENDANCE GUIDELINES

More than five countable, excused or unexcused, absences from any class in one semester is considered excessive. When a student reaches **five absences**, the parent/guardian will be notified in writing. When a student reaches the level of **eight** countable, excused or unexcused, absences from any class in one semester, the parent will again be notified in writing. The parent/guardian will be advised of the serious consequences that will follow when a student accumulates ten absences from school in one semester. It is recommended that the parents contact the school when absences become excessive. **Students with five or more absences in any class may not be permitted to participate in field trips, college visits, etc.** Exceptions to these restrictions will be reviewed by the administration. **Upon the student incurring eleven (11) countable absences from any class in one semester the student will lose credit and possibly face expulsion for excessive absences.**

When credit loss is evaluated, three tardies may be counted as one unexcused absence for that class, and the student will lose the final exam exemption for that class. The parent/guardian will be notified in writing of the loss of credit(s) in any or all classes for the semester. A Board of Appeals has been established for any families who wish to pursue such a hearing concerning loss of credit. The principal should be contacted to begin the process.

REPORTING ABSENCE(S)

1. A parent/guardian should call the school at 673-4242 between 7:30 and 10:00 AM describing the reason for absence.
2. A parent/guardian who misses the phone call time should send a note describing the reason for absence and send to school the day student returns to school. The student will be marked unexcused/truant and may receive disciplinary action if a note is not received within 24 hours.
3. When possible the school will attempt to contact a parent/guardian when no call has been received.
4. Failure to clear an unexcused/truancy absence within 24 hours will result in disciplinary action.

APPOINTMENTS/LEAVING SCHOOL EARLY PROCEDURE

1. Parents and students should make every effort to schedule medical, dental, etc. appointments after school hours.
2. The office must be notified of the appointment the day of, or on a day prior to, the appointment.
3. A document will be issued to the student that will serve as a pass to come to the office to sign out.
4. The above document or an official document from the physician/dentist/court/etc. must be signed by the physician/dentist/court etc. and returned to the office on the next day of attendance.
5. A student who becomes ill may only leave school through the nurse's office procedure. For students to leave the building due to illness, they must see the nurse or administrator if the nurse is not available, for it to be considered an excused absence.
6. Students are not excused for appointments, trips, etc. during final exams.

Failure to follow the procedure may cause the absence to be counted as truancy.

ABSENCES

School absences are classified in one of the following three categories and will be countable or exempt from the 10-day limits:

- A. Excused - parent has called, sent a note and the reason is an acceptable according to State and North Posey guidelines: illness, injury, funerals or prearranged approved absences. Make-up work will be accepted within one day of the student's return. (Teachers may allow a longer length of time, but it is the student's responsibility to arrange with the teachers for make-up work.) Excused absences may be exempted from or counted toward the 10-day limit.

(See Absence Count below.)

- B. Unexcused/Personal - parent has called (with 24 hours' notice), sent a note but is **not** an acceptable reason by State or North Posey guidelines. Examples: car trouble, missed bus, child-care, and oversleeping. **Make-up work will be given at the teacher's discretion.** With the exception of suspensions, all unexcused/personal absences are counted toward the 10-day limit and loss of final exam exemption.
- C. Unexcused/Tuancy
 - 1.) any absence without the parent's approval or knowledge
 - 2.) leaving class without the permission of the teacher
 - 3.) being tardy to class by more than 5 minutes without verifiable reason
 - 4.) aiding another student in being truant

Students who arrive **on school property** for the school day may not leave until their class day is complete unless the building principal or assistant principal grants permission. **If a student leaves without permission for any reason, he/she will be considered truant.** All trancies are counted toward the 10-day limit and the final exam exemption.

PRE-ARRANGED ABSENCE

- A) If a child must be absent from school, **the parent/guardian must contact the principal prior to the absence.** The proper pre-arranged absence form must be properly signed and returned according to the specific procedure.
- B) Teachers may assign work and any such work is to be completed upon the student's return to school.
- C) Pre-arranged absences will count towards the student's 10-day limit per semester and may be considered parent-excused or unexcused based upon the determination of building principal. Pre-arranged absences during final exams can only be made by students who qualify for an exemption. Students who have a truancy/unexcused absence during final exams will receive a zero for the final exam.
- D) Valid reasons for pre-arranged absence include (but are not limited to):

A principal approved educational experience or family once-in-a-lifetime occasion requires 5-day advance notice to be considered excused. The principal, the parent and each teacher must sign the prearranged absence form. The student must return the signed form to the office.

The student must return the signed form to the office 5 days prior to the pre-arranged absence. Teachers may assign work and any such work is to be completed upon the student's return to school. Failure to give five school days' notice to the principal may result in absence's being considered unexcused. **If notification is given with less than five days up to 24 hrs. prior the absence will be considered a personal/excused absence.**

Medical/Dental/Court/Driver's license appointments, etc. requires that the student bring a note to the office one day prior to the absence. The student will then obtain a verification document that must be signed by the appropriate professional and returned to the office upon return to school. Students who become ill or injured and see a professional must have the visit documented that day and brought to the office the next day a student returns to school.

College Visits - absence(s) for college visit(s) may be taken any day throughout the school year up until May 1st.

Seniors have two (2) college visits. Juniors have one (1) college visit.

Note: Students with poor attendance records may be denied a request to take a college visit day.

- a) The student must have a parent/guardian request a college visit pass prior to the day of

the visit. If a pass is not requested prior to the day of the visit, the absence will be classified as unexcused/personal.

- b) The student must pick up a pass in the MAIN OFFICE in advance.
- c) Someone from the college/university admission's office must sign the pass.
- d) The student will be listed as unexcused/personal until documentation is provided.

In addition, college representatives visit North Posey High School frequently throughout the school year. Seniors need to sign up for these visits via Google form provided by the Guidance Office at least two days before the visit. Seniors may be excused for visits with six representatives. Juniors will be excused to visit with at most two. A list of those students who have signed up will be distributed to the teachers on the day of the scheduled visit. If the student's name is not on the list, teachers may not allow the student to attend the visit. Loss of citizenship rating may affect college visitation days away from school and at school.

The principal reserves the right to determine excused, unexcused and pre-arranged absences.

ABSENCE COUNT

APPEAL PROCESS

The Board of Appeals consists of the principal, a counselor, and a faculty member. It is the responsibility of the parent/guardian to file an official appeal within ten days of the postmarked date on the letter sent to them concerning the loss of the student's credits. This appeal must be filed in writing with the building principal stating the reasons for the appeal. Reasonable requests by the Board of Appeals for documentation concerning absences must be honored. Based on the results/findings, the Board of Appeals may establish a contract system for the student(s) involved. This policy was adopted by the **M.S.D. of North Posey County Board of Education on March 13, 1995.**

LONG-TERM ABSENCES

A parent must produce documentation of a student's incapacity to attend school to the principal/designee within a reasonable time **after it is requested**. The documentation required shall be signed by an Indiana physician or by an individual holding a license to practice osteopathy or chiropractic in this state.

If after such a document is requested and is not delivered, the principal may take the following action:

- a) Suspending the student up to five days from school, or b) recommend expulsion for the student for the remainder of the semester in accordance with the Indiana Student Due Process Statute IC 20-33-8.

If medical documentation is provided for 11 or more total absences, 20 consecutive absences and/or absences excused for medical reasons is a continuous problem, students may be considered for one of the following:

1. Medical withdrawal - grades will be removed
2. Alternative educational program

FINAL EXAM POLICY:

All students are required to take final exams in all courses.

PASSES

Each student is scheduled to an assigned area for each period he/she is attending our school. All students not in their scheduled locations must have a pass. The teacher in charge of the class or another teacher or administrator who is authorized to withdraw the student from class for necessary work will fill out hall passes. Passes are issued for a specific purpose and are to be used for that purpose only. Students may not be issued a permanent pass.

TARDINESS

Any student tardy to school after the beginning of first period **must sign in at the main office and obtain a pass for admittance to class**. All tardies to school are considered unexcused unless the student is riding corporation transportation that arrives late to school or unless a parent has called to report the student late because of illness. Parents must call or send a note listing the reason for tardiness or absence. Arriving after 8:00 a.m. will result in a tardy to first period. Arriving after 8:40 a.m. will result in an absence to first period. Tardies to school will be charged against 1st period attendance. Arriving to other classes after 20 minutes will result in an absence charged to that class. A student will be considered truant for any full classes missed before a late arrival if proper documentation is not provided.

EXCEPTION TO COMPULSORY ATTENDANCE STATUTES

Indiana Public Law 121-1989 provides that a student must be enrolled in school until:

- A) Age EIGHTEEN
- B) Graduation
- C) Age SIXTEEN unless withdrawn with the written consent of the parent or guardian.

SEARCH AND SEIZURE

- A.
