

CREATE THE THINGS YOU WISHED EXISTED!

### **VISION**

The STEM vision of MSD of North Posey County is to build a learning culture that nurtures creativity; a culture that actively engages, motivates, and inspires all students in STEM content areas and related career pathways.

## **MISSION**

Our mission is to foster strategic partnerships among grades PK-12, industry, parents and community organizations to promote access, attainment and high achievement for all students to prepare for future STEM Careers. MSD of North Posey County is committed to providing an ambitious and rigorous learning environment through project based learning and real world experiences.

# NPJHS

## **Engineering Curriculum**

#### **Grade 7:**

### **Tech I -- Design & Modeling Projects:**

- Students will design and fabricate a foot orthosis
- Create parametric models using SketchUp
- Create 3-D puzzles
- Design and fabricate a golf tee peg game

PLTW Flight & Space- Coming soon!
PLTW Green Architecture- Coming soon!
CODELICIOUS/CS First

PLTW Tech II -- Design & Modeling
Automation & Robotics

### **Projects:**

- Construct floor skimmers
- Use 3-D software to create puzzels
- Fabricate a mini marshmallow launcher
- Program code Robot C
- Fabricate devices using Vex Robotics System (mechanical toys, windmills, conveyors, and rovers)
- Design programs integrating sensors in machines

**CODELICIOUS/CS First** 

# NPHS ENGINEERING COURSE WORK

### **Engineering**

PLTW Intro to Engineering Design\*

Duel Credit- IVY Tech DESN 101 (3), 113 (3)

PLTW Principles of Engineering

Duel Credit Ivy Tech DESN 104 (3)

**PLTW Digital Electronics** 

Duel Credit Ivy Tech EECT 112 (3)

\* Possible Autodesk Inventor certification

### **Computer Science (A)**

Computer Illustration & Graphics

Duel Credit Ivy Tech VISC 115 (3)

Computer Science I (Programming)

Computer Science II (Programming)
