

Gift Card Ordering Time!

The holidays will soon be here! Our Raise Right Gift Card program (formerly Shop with Scrip) can make gift-giving and shopping a breeze! This is a one-stop shop for all your gift card purchases this holiday season...and you support North Elementary School! If you are not familiar with the program, here is how it works...

Anyone may order/buy retailer gift cards through the school at face value. (\$25 Kohl's gift card costs you \$25) The school is then permitted to order the cards at a discount rate and keep the difference. It is that simple!

The cards are the exact gift cards purchased at stores and you can get them all in 1 place without using any time or gas! They are perfect for holiday and birthday gifts as well as your everyday purchases. Do you plan on buying household items or other gifts at Walmart, Target, etc? Ordering online from Amazon, etc? Buy store cards to pay for your purchases and North Elementary benefits too! Don't forget to ask family & friends –everyone is invited to order!

Orders are due by Thursday, Dec 1st and cards should be in approximately Dec 9th. You may have them sent home with a student or pick them up in the North Elementary office. Please send payment with your order. (Only 1 order per family is needed as this is not a student/classroom challenge.) Checks should be made to North Elementary School. OR – Sign up for a RaiseRight account online or on their App for additional ordering and payment options!!
