ILEARN CELEBRATION

School Counselor, Mrs. Sharber, planned an ILEARN Celebration for students in grades 3-6 to prepare them for testing the next two weeks! Students enjoyed participating in trivia questions and minute-to-win-it challenges that earned them toppings to use to "top" their ice cream sundae, Mrs. Koester! Needless to say...they had plenty of toppings!!! Best of luck testing to our Panthers!!!

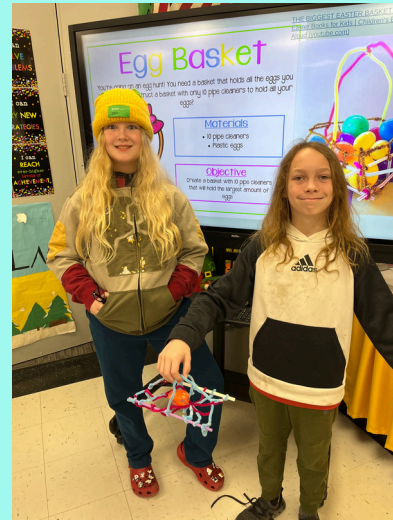

EDUCATION

North Elementary

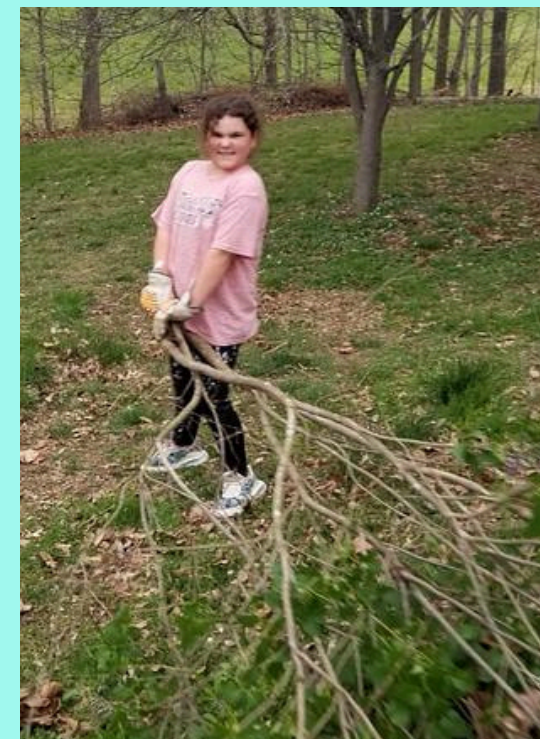

EASTER BASKET CHALLENGE

North Elementary students in grades 4-6 were challenged to build Easter baskets that could hold as many eggs as possible using only 10 pipe cleaners and 10 straws. Students did a fantastic job of working with their partners and collaborating on a design to ensure their basket held the largest amount of eggs. As always, time constraints were a factor, although the Easter Bunny was kind enough to empty all eggs of treats prior to class so that the eggs were as light as possible and therefore, their weight was not a factor during building.

HELPING HEARTS PROJECT

Mrs. Brooks' third grade class is conducting a Helping Hearts project. Each student was given \$5 and challenged to turn it into more money and donate it to a charity of their choice. So far, students have raised over \$1,100!! We will be giving presentations over our project on May 14.

CARSON LUPFER

Congratulations Carson Lupfer on completing all 16 learning tracks on Rocket Math. We are so proud of you!

TALLEST TOWER LEGO CHALLENGE

Kindergarten and first grade students worked independently to build a freestanding tower made from a cup of Legos. The challenge was to see who could build the tallest tower, and bonus points were awarded to those who used all of their Lego pieces as part of their build.

ICE CREAM SUNDAE

It was a great day to be a Star! Mrs. Sharber lead the 3rd, 4th, 5th and 6th graders through test taking strategies while they played fun minute to win it games. Students won toppings to turn Mrs. Butto into an ice cream sundae. We are ready for iLearn testing next week.

HIGH SCHOOL BAND ISMMA FESTIVAL

The high school band attended the Indiana State School Music Association (ISSMA) Organization Festival at Castle High School on April 19th where they performed three difficult pieces of music for an audience and panel of judges as well as performing a piece of music they have never seen before with just 10 minutes of preparation. For their efforts, they received a gold rating for the second year in a row. This gold rating was also the first time the band received gold without additional help from the Jr. High or extra rehearsals in the evening in recent history.
